

Dining at Coppelia House...

Nutrition and hydration are crucial to everyone's well-being. As a result we place a big emphasis on meal times which provides a great opportunity for socialising whilst enjoying homemade tasty food in a relaxing environment.

We host a number of food and drink themed activities within our home. This includes coffee mornings with homemade cakes, wine tasting and mocktail afternoons.

Where We Are...

Stepping into Coppelia House is very much like walking into somebody's home. Our traditional country house is situated in the wonderful market town of Moretonhampstead. A busy and picturesque town nestled in Dartmoor National Park, fifteen miles west of Exeter.

Life at Coppelia House...

Coppelia House is committed to offering the best possible care for all of those who live with us. From residential to more specialist dementia care.

Our Beautiful Garden...

The garden is a tranquil haven, divided into two areas by an old stone wall. It makes a scenic spot to eat al fresco, with plenty of visiting wildlife and well-established planting. It's perfect for pottering or a gentle stroll. You will often find flowers from the garden arranged around the house.

Activities...

As you'll see from the line of wellies in the entrance to the home, we love to welcome guests and have strong links to our community in Moretonhampstead. We also have lots of furry visitors, as many staff bring their pets in to say hello.

Our home has a programme of activities such as cooking and arts and crafts as well as many individual traditions, including coffee mornings and sherry in the lounge before Sunday lunch. We also have a hairdressing salon. We recognise that every individual has a story to tell, so reminiscence memorabilia is dotted around the home.
