

Dining at Cornerways...

Nutrition and hydration are crucial to everyone's well-being.

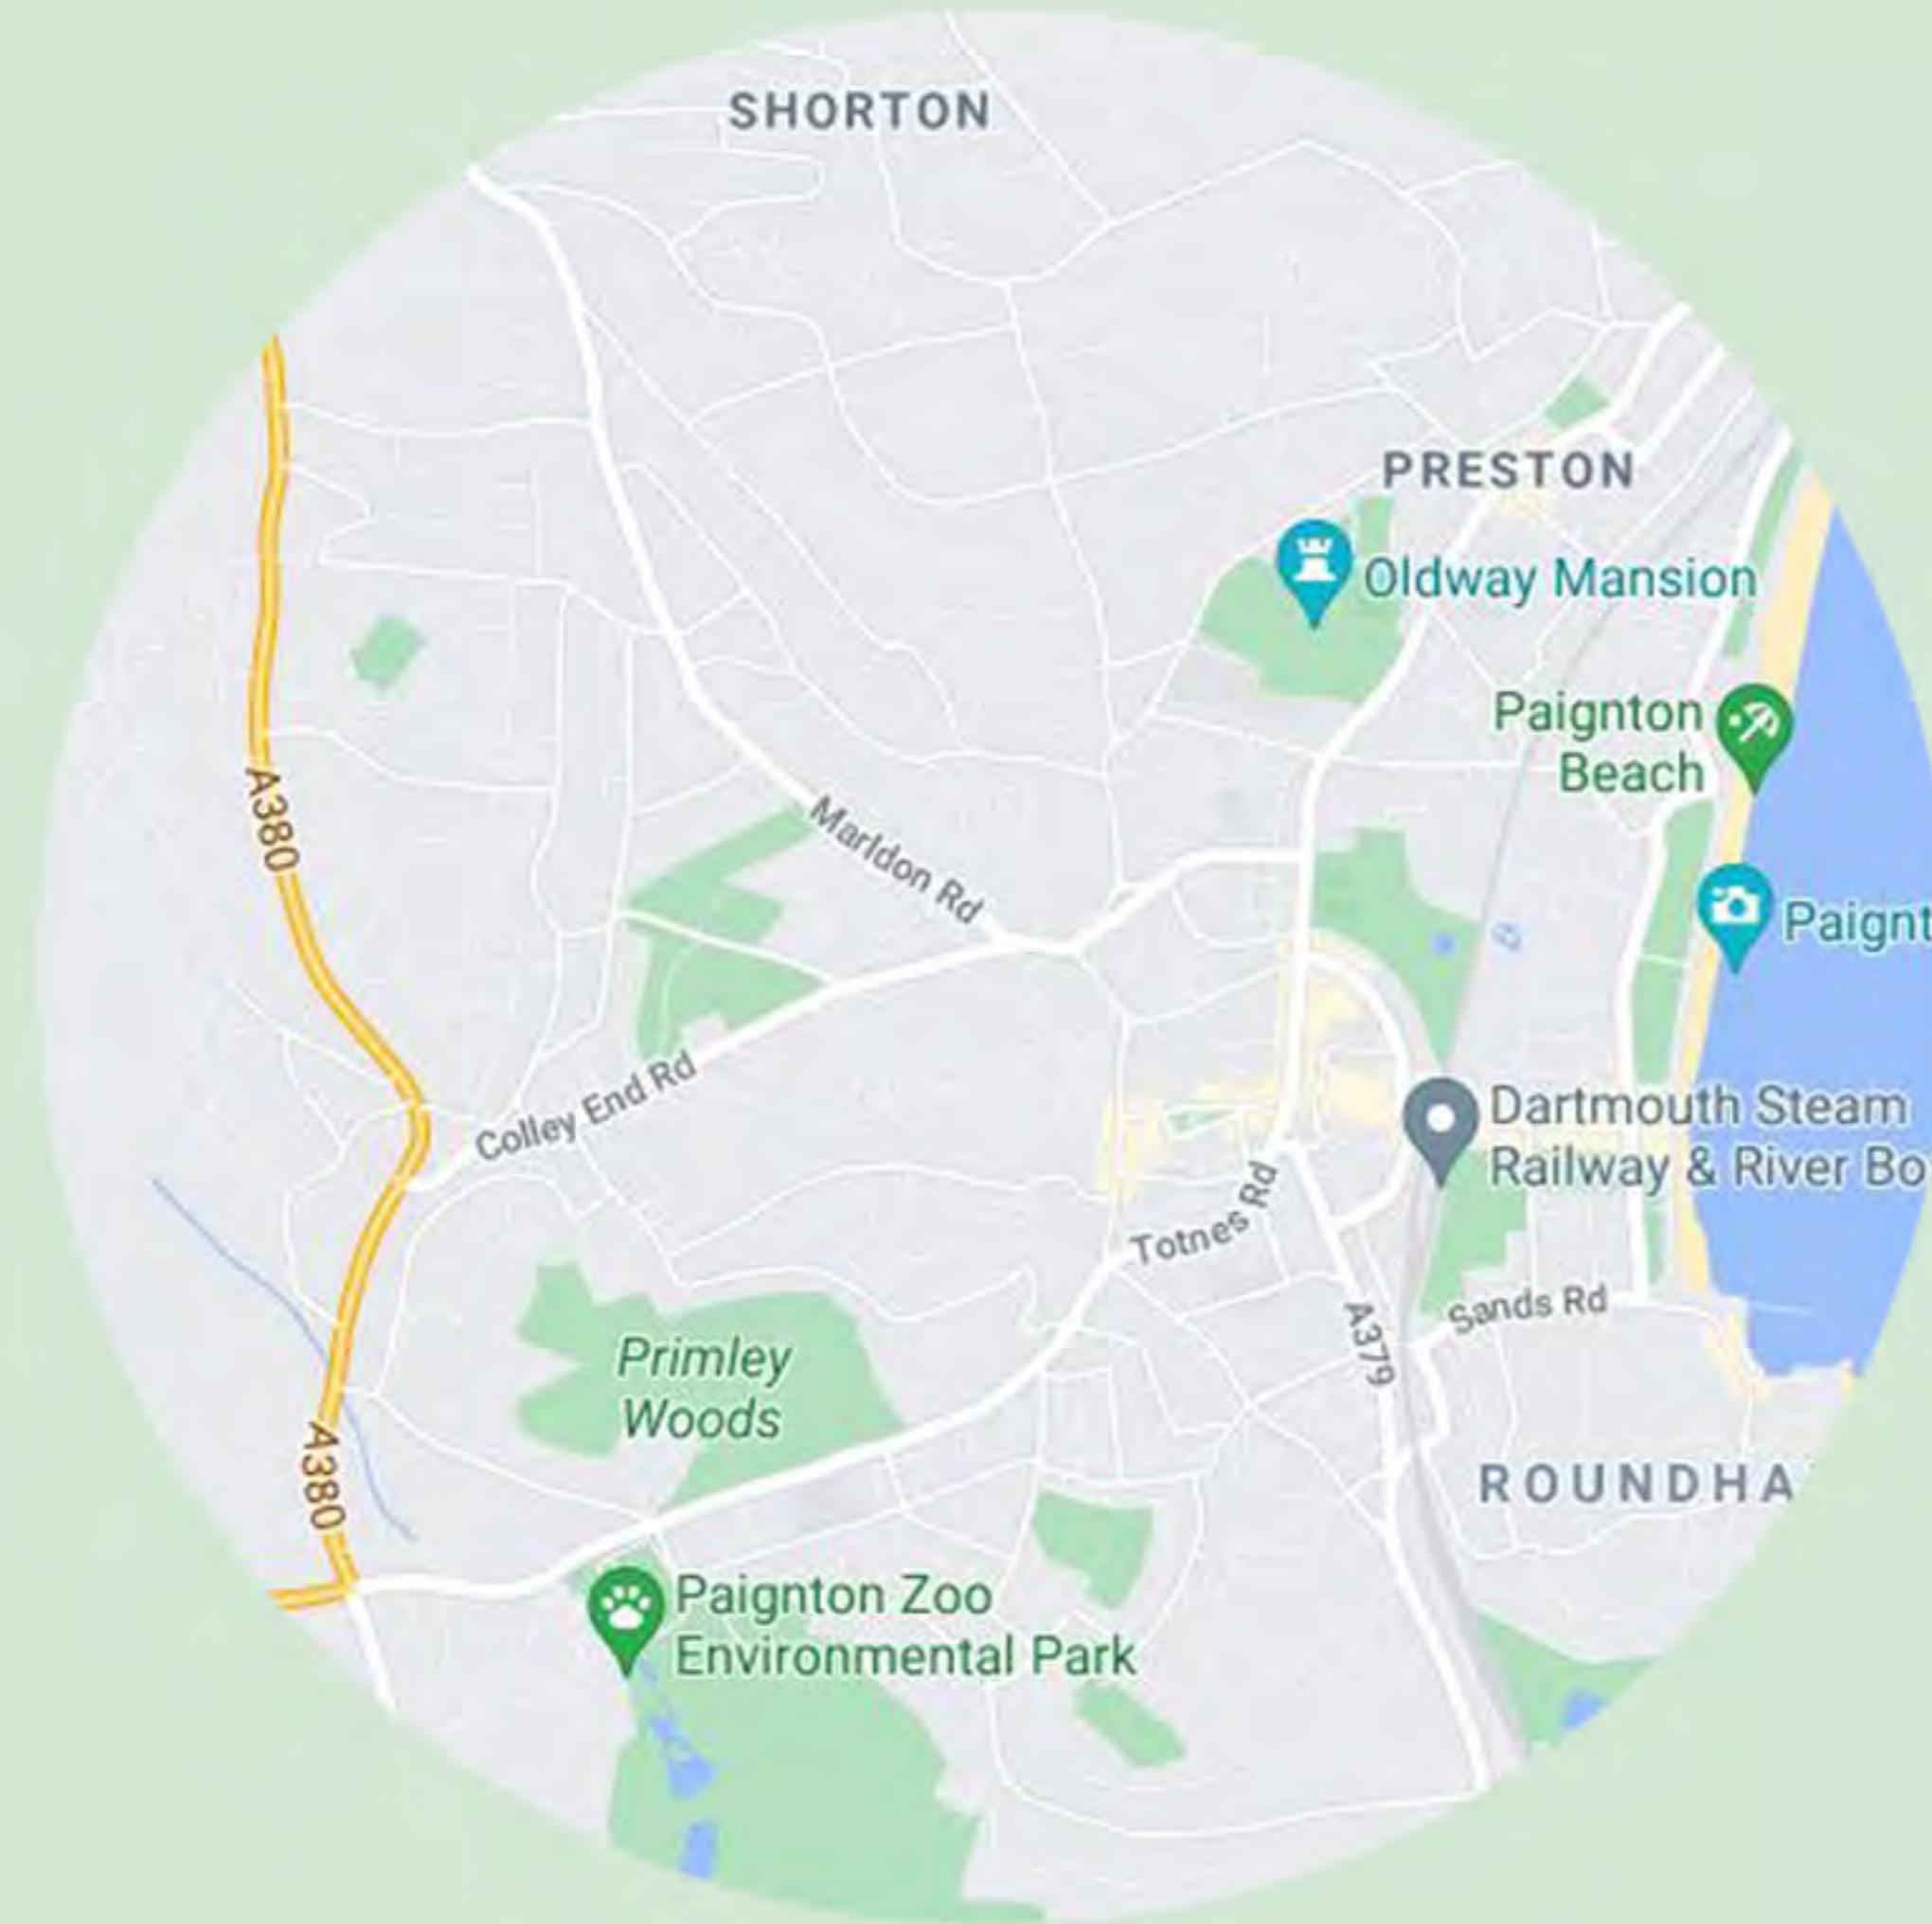

We place a big emphasis on meal times which provide a great opportunity for socialising whilst enjoying homemade tasty food in a relaxing environment.

We host a number of food and drink themed activities within our home, including coffee mornings with homemade cakes, sherry parties, cheese and wine tasting and mocktail afternoons.

Where We Are...

Preston is a suburb located on the northern part of Paignton, Devon. Here you will find our 'beach hut' available for the people who live with us.

Our Ratings...

We are very proud of our carehome.co.uk rating which is generated by independent recommendations.

Peninsula Care Homes have been inspected and rated 'GOOD' by our regulator.

Welcome to Cornerways...

Located close to the seafront of Preston Sands in Paignton, Cornerways is a 50 bed residential home arranged over three floors with a central lift on each floor.

Our home has a patio area for the people who live with us to enjoy.

Staff...

The well trained team is led by our Registered Manager Joanne Broderick who recently joined us with over 22 years of experience in care. Her passion started at the age of 13 where she worked as a kitchen assistant in her local care home.

Jo and her team focus on a person centred care approach which means that you will be respected as an individual and treated with dignity.

Life at Cornerways...

Cornerways is a residential home for those living with dementia. It works closely with all local G.P surgeries, district nurse teams, and other medical professionals.

We provide a safe environment so that everyone can enjoy as much independence, mental and physical stimulation as possible.

Our home benefits from a variety of communal spaces including a choice of lounges, a conservatory, a large light and airy dining area as well as a variety of bedrooms.

Activities...

The dining room is a hub for many of our activities, which range from food tasting to flower arranging, arts and crafts and more.

We make good use of technology, with a big, interactive digital table giving us access to many engaging games and sensory experiences.

Pick up our latest Peninsula Care Homes newsletter and Cornerways activity calendar on display in our home.

You can also take a look at our website for much more information.

Peninsula News

Welcome to the Summer 2021 issue of Peninsula News.

What a year it's been... so much has happened since the beginning of the pandemic and I know that it continues to be a very challenging time for so many of us.

I would like to take this opportunity to say thank you to all of our staff for your continued hard work and support. You have been truly amazing and shown great patience and understanding of the changing government guidance.

With the numbers of cases rising again, we ask that everyone continues to remain vigilant and stay at home and avoid if you have any concerns. We know that the messages of Covid aren't always the three that the government have shared, so if in any doubt - please text with NHS on just lateral flow tests.

We are so grateful for everything you have done and continue to do so. This newsletter reflects just some of that dedication, sharing news and pictures from each of our homes, as well as staff news and some staff stories.
