Oh I do like to be beside the sea...

Welcome to Cornerways, a wonderful highly rated care home located a few minutes walk from Preston Sands seafront in Paignton. Cornerways prides itself on its welcoming atmosphere, where daily life is filled with companionship, activities and laughter. There is a sunny patio area and we love taking advantage of nearby Preston Sands and Cornerways very own beach hut.

Bedrooms

A central lift takes you to the bedrooms on the top two floors. These are personalised to make you feel at home, with colourful doors. Each room has a 24 hour call bell system.

“My father moved into Cornerways a few days ago. The home has a cosy and homely feeling. Every member of staff we have met have been friendly and willing to help us and answer our questions as we find our way around. My father is comfortable asking the staff for help as he gets used to his new surroundings. We are very pleased with Dad’s bedroom and he is sleeping well. Dad is enjoying his meals and is happy with the choices.”
Debra W (Daughter of Resident)

Life at Cornerways

We love to welcome visitors at Cornerways, with two roomy lounges ideal for entertainers and other guests. These are decorated to create distinct zones, providing spots for relaxing or watching television. Particularly popular are two snug areas with sofas, one of which has a fire place. These make cosy spaces for quiet moments or to chat with loved ones.

A Varied Activities Programme

The dining room is a hub for many of our activities, which range from food tasting to flower arranging, arts and crafts and more. We make good use of technology, with a big, interactive digital table giving us access to many engaging games and sensory experiences.

HEALTHY, NUTRITIOUS MEALS

We are lucky to have a large light and airy dining room, which creates a sociable, relaxing environment for sitting down to delicious home-cooked meals prepared by our culinary team. One end is decorated as a railway carriage, with a mural on the wall and old luggage, sparking many conversations about favourite train journeys! There is also a domestic kitchen area for our residents to use, which is perfect for our cookery club.

“My husband has been a resident at Cornerways Care Home since May 2022. The care he is receiving is excellent. The staff are really caring. Nothing is too much trouble for them. They have endless patience with my husband. He is not always responsive but I know he feels safe and cared for. Thank you to every single member of staff at Cornerways.”
